The information requested herein is due on or before February 15, 2008. Responses to requests for information shall be appropriately bound, tabbed and indexed. Each response shall be answered under oath or, for representatives of a public or private corporation or a partnership or association or a governmental agency, be accompanied by a signed certification of the preparer or person supervising the preparation of the response on behalf of the entity that the response is true and accurate to the best of that person's knowledge, information, and belief formed after a reasonable inquiry.

EKPC shall make timely amendment to any prior responses if it obtains information which indicates that the response was incorrect when made or, though

2. Explain the process through which Good Cents Solutions was chosen as the administrator of the project. If there was an RFP involved in the selection process, provide the estimates submitted by all respondents.
